Grant M. Berry

Curriculum Vitae

Mendel Science Center G65-C Villanova University 800 E. Lancaster Ave. Villanova, PA 19085

Email: grant.berry@villanova.edu **Phone:** +1 (857) 762-4887 Web: https://grantberry.info

Interests: Language Variation and Change, Phonology, Bilingualism, Cognitive Science, Machine Learning

Interests: Language Variation and Change, Phonology, Bilingualism, Cognitive Science, Machine Learning				
Academic Appointments				
Assistan	t Professor	2020-Present		
Department of Spanish (~0.6 FTE); Cognitive Science Program (~0.4 FTE)				
Villar	nova University (Villanova, PA)			
Director, Language Use and Variation (LUV) Lab				
Mendel Science Center G65-B (Web: luv-lab.info)				
Villanova University (Villanova, PA)				
	Other Appointments			
	Scientist II	2021-2022		
Amazon Prime Video (Remote); 0.2-0.5 FTE				
	Technical Program Manager, Data Quality			
	ta Applied Modeling and Data Services; Amazon (Cambridge, MA)			
	ge Engineer	2018-2019		
Alexa	a Household Organization; Amazon Canada (Vancouver, BC)			
Education and Training				
_	Visiting Scholar, Radboud University	2024		
PhD	Dual title in Spanish and Language Science, The Pennsylvania State University	2018		
-	Visiting Scholar, University of Pennsylvania	2017		
-	Visiting Scholar, Max Planck Institute for Psycholinguistics	2015		
-	Linguistic Society of America Summer Institute, University of Chicago	2015		
MA	Spanish, The Pennsylvania State University	2014		
-	Fulbright Teaching Assistantship, Universidad Nacional de Río Cuarto, Argentina	2011		
BA	Spanish, Truman State University	2010		
BS	Mathematics, Truman State University	2010		
Research Funding ≥ \$1,000 (amounts are rounded to the nearest \$100)				
\$35,000	Research Catalyst Grant (co-PL: Joseph C. Toscano), Villanova University	2023		
	Villanova Match Research Program (Support for 1st-year Student RA)	2023		
\$12,000	University SU Grant, Villanova University	2022		
\$1,000	Villanova Match Research Program (Support for 1st-year Student RA)	2022		
\$3,300	Small Research Grant, Villanova Institute for Research & Scholarship (VIRS)	2021		
\$15,100	NSF Doctoral Dissertation Research Improvement Grant (#BCS1651061)	2017		
\$ 1,000	Center for Global Studies Fellowship, Penn State University	2017		
\$ 2,000	Superior Teaching and Research (STAR) Award, Penn State University	2016		
\$ 2,000	RGSO Dissertation Award, Penn State University	2015		
\$ 3,000	Superior Teaching and Research (STAR) Award, Penn State University	2014		
\$ 4,000	Graduate Scholar Award, Penn State University	2014		

\$ 2,000 Student Research Grant, Truman State University

Peer-reviewed Publications (* denotes undergraduate student collaborators)

Stuff that's in the Pipeline

- **Berry, G.M.** (On Hold). Relative syllable duration and pitch alignment in the Spanish of Córdoba, Argentina. Preprint: 10.31234/osf.io/spfqx
- **Berry, G.M.** (In Prep). Sex-differentiated strategies for stereotype avoidance: OH-Lowering in Philadelphia Puerto Rican English. (Submission planned for Apr 2024.)
- **Berry, G.M.**, Caselli, J.* & Gunderson, S.* (In Prep). Reactive control modulates the integration of segmentally constrained phonetic variation. (Submission planned for Aug 2024.)

Published or Forthcoming

Other Honors/Awards

- 2022 Echo 25: 25 Exceptional Alumni Under 40, Truman State University
- 2018 Ray Lombra Award for Excellence in Research (\$1,000)
- 2017 Humanities Initiative Dissertation Teaching Release, Penn State University
- 2016 Edwin Erle Sparks Fellowship, Penn State University College of the Liberal Arts
- 2016 NSF PIRE Travel Grant, Penn State University Center for Language Science
- 2016 Jesús Díaz Prize for Spanish, Penn State University Dep't. of Spanish, Italian, and Portuguese
- 2015 NSF PIRE Graduate Fellowship, Penn State University Center for Language Science
- 2015 Linguistic Society of America Institute Fellowship
- 2014 Jesús Díaz Prize for Spanish, Penn State University Dep't. of Spanish, Italian, and Portuguese
- 2010 Gabriela Mistral Award, Sigma Delta Pi Spanish Honor Society
- 2010 Senior Leadership Award, Truman State University
- 2010 Outstanding Spanish Student, Truman State University
- 2009 Student-initiated Course Grant, Truman State University (\$1,000)
- 2006 Pershing Scholarship (Tuition, R&B, \$4,000 Study Abroad Stipend), Truman State University
- 2006 Missouri Department of Higher Education Academic Scholarship (\$8,000)

Invited Talks and Workshops

1. Leveraging skills from graduate studies to excel in academia and industry Radboud University Graduate School for the Humanities; 18 Mar 2024

2. Cognitive and experiential factors in real-time phonetic drift Radboud University Centre for Language Studies; 7 Mar 2024

3. Why I left academia... and why I came back.

Basque Center on Cognition, Brain, and Language; 5 May 2022

4. AI and bias: Who's to blame?

Villanova University; Charles Widger School of Law; 1 Jan 2022

- 5. From the periphery to the forefront: Puerto Rican English and Philadelphia sound change University of Pennsylvania Integrated Language Science & Technology Series; 16 Apr 2021
- **6.** Legal applications of artificial intelligence for social justice Villanova University; Charles Widger School of Law; 21 Jan 2021
- 7. Visualizing linguistic data in R

Penn State University; Department of Spanish, Italian, and Portuguese; 23 Feb 2018

- **8.** On the cognitive processing strategies underlying the propagation of sound change Penn State University; Center for Language Science Speaker Series; 12 Jan, 2018
- 9. Dimension reduction methods: Principal component analysis, factor analysis, and *k*-means clustering Penn State University Department of Spanish, Italian, and Portuguese; 27 Nov 2017
- **10.** Best practices in data visualization: An introduction to the *ggplot2* package in *R* University of Pittsburgh; Department of Linguistics; 10 Nov 2017
- **11.** Echoes from below: Minority adoption of majority sound change University of Pittsburgh; Linguistics Colloquium Talk; 10 Nov 2017
- **12.** Cognitive control, phonological integration, and the propagation of sound change University of Pennsylvania; Common Grounds Speaker Series; 12 May 2017
- 13. Shrinking down sound change: Cognitive control and phonological adaptation Penn State University; Distinguished Language Science Colloquium; 14 April 2017
- 14. Using OpenSesame for experiment building

University of Pennsylvania; Language Variation and Cognition Lab; 29 March 2017

- 15. RE-assessment and RE-adjustment: Optimizing random effects in linear mixed effects models
 Guest lecture in LING 660: Research Seminar in Sociolinguistics, University of Pennsylvania
 (Instructor: Meredith Tamminga). 20 March, 2017
- **16.** Shifting leftward? Syllable duration and pitch anchoring in Central Argentine Spanish Ohio State University; Hispanic Linguistics Colloquium; 17 Feb 2017
- 17. Dual mechanisms of cognitive control and phonological adaptation University of Pennsylvania; Language Variation and Cognition lab; 1 Feb 2017
- **18.** Phonetic alignment in English as a *lingua franca*: Effects of style, proficiency, and L1 influence Penn State University; Center for Global Studies Brown Bag Lecture; 28 Sept 2016
- 19. The long and short of it: How alignment and cognitive processing may influence sound change Penn State University; Distinguished Language Science Colloquium; 22 April 2016
- **20.** When *habla* isn't the same as *está hablando*: Grammaticalization of the Spanish Progressive Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 7 April 2016
- 21. How a Liberal Arts education prepared me for graduate school

Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 6 April 2016

22. Phonetic alignment and style shifting in English as a *lingua franca*

Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 5 April 2016

23. Using literature in the study of language change

Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 4 April 2016

24. Coming together, splitting apart: Vocalic accommodation in EFL discourse

Radboud University Nijmegen; Centre for Language Studies; 15 Feb 2016

- **25.** Individual differences in the adoption of variable phonology: Preliminary findings Max Planck Institute for Psycholinguistics; Sound Learning Lab; 13 Oct 2015
- **26.** Prosodic and social predictors of speech in central Argentina: The *tonada cordobesa* Universiteit Leiden; Centre for Linguistics; 9 October, 2015
- 27. Transcribing in ELAN by Intonation Units

Penn State University; SPAN 597 Course (Functional Syntax); 26 March 2015

28. PRAAT scripting workshop

University of British Columbia; Speech in Context Lab; 10 March 2015

29. Data visualization in R using ggplot2

University of British Columbia; Speech in Context Lab; 9 March 2015

Peer-reviewed Conference Talks and Posters

Papers/Talks
