CURRICULUM VITAE

Iadarola Center 201B, Villanova University Cabrini Campus
610 King of Prussia Rd., Radnor, PA 19087
grant.berry@villanova.edu · +1 (857) 762-4887 · grantberry.info

Interests: Language Variation and Change, Laboratory Phonology, Bilingualism, Cognitive Science, AI

ACADEMIC APPOINTMENTS

Assistant Professor — **2025–Present**
Department of Psychological & Brain Sciences; Cognitive Science Program
Villanova University (Villanova, PA)

Assistant Professor — **2020–2025**
Department of Spanish; Cognitive Science Program
Villanova University (Villanova, PA)

Director, Language Use and Variation (LUV) Lab — **2020–Present**
Mendel Science Center G65-B (Web: luv-lab.info)
Villanova University (Villanova, PA)

OTHER APPOINTMENTS

Applied Scientist II — **2021–2022**
Amazon Prime Video (Remote); 0.2–0.5 FTE

Technical Program Manager, Data Quality — **2019–2020**
Alexa Applied Modeling and Data Services; Amazon (Cambridge, MA)

Language Engineer — **2018–2019**
Alexa Household Organization; Amazon Canada (Vancouver, BC)

EDUCATION AND TRAINING

	San Diego Supercomputing Center HPC and Data Science Workshop	**2026**
	Visiting Scholar, Radboud University	**2024**
PhD	Dual title in Spanish and Language Science, The Pennsylvania State University	**2018**
	Visiting Scholar, University of Pennsylvania	**2017**
	Visiting Scholar, Max Planck Institute for Psycholinguistics	**2015**
	Linguistic Society of America Summer Institute, University of Chicago	**2015**
MA	Spanish, The Pennsylvania State University	**2014**
	Fulbright Teaching Assistantship, Universidad Nacional de Río Cuarto, Argentina	**2011**
BA	Spanish, Truman State University	**2010**
BS	Mathematics, Truman State University	**2010**

RESEARCH FUNDING ≥ $1,000 (amounts are rounded to the nearest $100)

$6,900	VITAL Minigrant	**2026**
$35,000	Research Catalyst Grant (co-PI: Joseph C. Toscano), Villanova University	**2023**
$1,000	Villanova Match Research Program (Support for 1st-year Student RA)	**2023**
$12,000	University Summer Grant, Villanova University	**2022**
$1,000	Villanova Match Research Program (Support for 1st-year Student RA)	**2022**
$3,300	Small Research Grant, Villanova Institute for Research & Scholarship (VIRS)	**2021**
$15,100	NSF Doctoral Dissertation Research Improvement Grant (#BCS1651061)	**2017**
$1,000	Center for Global Studies Fellowship, Penn State University	**2017**
$2,000	Superior Teaching and Research (STAR) Award, Penn State University	**2016**
$2,000	RGSO Dissertation Award, Penn State University	**2015**
$3,000	Superior Teaching and Research (STAR) Award, Penn State University	**2014**

INVITED TALKS AND WORKSHOPS

When less is more: Neural signatures of auditory change detection in bilingual listeners
Montreal Bilingualism Initiative (MoBI); 17 June 2026

Perceptual flexibility and phonetic drift
University of Pennsylvania Integrated Language Science & Technology Series; 14 Feb 2025

Leveraging skills from graduate studies to excel in academia and industry
Radboud University Graduate School for the Humanities; 18 Mar 2024

Cognitive and experiential factors in real-time phonetic drift
Radboud University Centre for Language Studies; 7 Mar 2024

Why I left academia... and why I came back.
Basque Center on Cognition, Brain, and Language; 5 May 2022

AI and bias: Who's to blame?
Villanova University; Charles Widger School of Law; 1 Jan 2022

From the periphery to the forefront: Puerto Rican English and Philadelphia sound change
University of Pennsylvania Integrated Language Science & Technology Series; 16 Apr 2021

Legal applications of artificial intelligence for social justice
Villanova University; Charles Widger School of Law; 21 Jan 2021

Visualizing linguistic data in R
Penn State University; Department of Spanish, Italian, and Portuguese; 23 Feb 2018

On the cognitive processing strategies underlying the propagation of sound change
Penn State University; Center for Language Science Speaker Series; 12 Jan 2018

Dimension reduction methods: Principal component analysis, factor analysis, and k-means clustering
Penn State University Department of Spanish, Italian, and Portuguese; 27 Nov 2017

Best practices in data visualization: An introduction to the ggplot2 package in R
University of Pittsburgh; Department of Linguistics; 10 Nov 2017

Echoes from below: Minority adoption of majority sound change
University of Pittsburgh; Linguistics Colloquium Talk; 10 Nov 2017

Cognitive control, phonological integration, and the propagation of sound change
University of Pennsylvania; Common Grounds Speaker Series; 12 May 2017

Shrinking down sound change: Cognitive control and phonological adaptation
Penn State University; Distinguished Language Science Colloquium; 14 April 2017

Using OpenSesame for experiment building
University of Pennsylvania; Language Variation and Cognition Lab; 29 March 2017

RE-assessment and RE-adjustment: Optimizing random effects in linear mixed effects models
Guest lecture in LING 660: Research Seminar in Sociolinguistics, University of Pennsylvania (Instructor: Meredith Tamminga). 20 March 2017

Shifting leftward? Syllable duration and pitch anchoring in Central Argentine Spanish
Ohio State University; Hispanic Linguistics Colloquium; 17 Feb 2017

Dual mechanisms of cognitive control and phonological adaptation
University of Pennsylvania; Language Variation and Cognition lab; 1 Feb 2017

Phonetic alignment in English as a lingua franca: Effects of style, proficiency, and L1 influence
Penn State University; Center for Global Studies Brown Bag Lecture; 28 Sept 2016

The long and short of it: How alignment and cognitive processing may influence sound change
Penn State University; Distinguished Language Science Colloquium; 22 April 2016

When *habla* isn't the same as *está hablando*: Grammaticalization of the Spanish Progressive
Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 7 April 2016

How a Liberal Arts education prepared me for graduate school
Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 6 April 2016

Phonetic alignment and style shifting in English as a lingua franca
Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 5 April 2016

Using literature in the study of language change
Truman State University; Sigma Delta Pi Distinguished Alumni Speaker Series; 4 April 2016

Coming together, splitting apart: Vocalic accommodation in EFL discourse
Radboud University Nijmegen; Centre for Language Studies; 15 Feb 2016

Individual differences in the adoption of variable phonology: Preliminary findings
Max Planck Institute for Psycholinguistics; Sound Learning Lab; 13 Oct 2015

Prosodic and social predictors of speech in central Argentina: The tonada cordobesa
Universiteit Leiden; Centre for Linguistics; 9 October 2015

Transcribing in ELAN by Intonation Units
Penn State University; SPAN 597 Course (Functional Syntax); 26 March 2015

PRAAT scripting workshop
University of British Columbia; Speech in Context Lab; 10 March 2015

Data visualization in R using ggplot2
University of British Columbia; Speech in Context Lab; 9 March 2015
